

Around the Coral Sea: A Journey of Discovery

The Coral Sea is a vast and beautiful body of water that stretches from the Great Barrier Reef in Australia to the Solomon Islands in the Pacific Ocean. It is home to an incredible diversity of marine life, including over 1,500 species of fish, 400 species of coral, and 4,000 species of mollusks. The Coral Sea is also home to a number of stunning islands, including the Whitsundays, the Great Barrier Reef, and Lord Howe Island.
