A LitRPG Adventure

Meet Reginald "Reggie" Witherspoon, a young wizard with a passion for all things dorky. From his love of My Little Pony to his collection of Star Wars action figures, Reggie is the epitome of a nerd. But beneath his goofy exterior lies a powerful potential that has yet to be realized.

When Reggie is forced to leave his comfortable life behind and join the prestigious Academy of Arcane Arts, he finds himself out of his element. The other students are all serious and focused, and Reggie's dorky ways quickly make him a target for bullying. But Reggie is not one to give up. With the help of his loyal friends, a talking hamster named Squeaky and a wise old gnome named Professor Prufrock, Reggie sets out to prove that even the biggest dork can become a powerful wizard.

As Reggie progresses through the academy, he begins to discover his true potential. He learns to harness his dorky powers, using his love of knowledge and his ability to make people laugh to his advantage. He also develops a strong sense of justice, and he is always willing to stand up for what he believes in, even if it means standing up to the bullies.

As Reggie's power grows, so does his reputation. He becomes known as the "Dreadlord Wizard," a powerful and respected wizard who is not afraid to embrace his dorkiness. But even as he becomes more powerful, Reggie never forgets his roots. He remains true to himself and his friends, and he always fights for what is right.

Badges of Dorkdom is a LitRPG adventure that is full of humor, heart, and action. It is a story about the power of friendship, the importance of self-acceptance, and the potential that lies within us all, even the biggest dorks.
