Fire Punch is a dark and twisted manga series created by Tatsuki Fujimoto. The story takes place in a world that has been ravaged by war, and follows the journey of Agni, a young man who has the ability to create fire with his fists.

Agni's power is a curse, as it has caused him to be feared and hated by those around him. He is constantly hunted by bounty hunters and

government agents, and he has been forced to live a life of isolation.

Despite his difficult circumstances, Agni is a kind and compassionate person. He has a deep desire to help others, and he is always willing to put himself in danger to protect those he cares about.

Fire Punch is a story about the power of hope and the indomitable spirit of humanity. It is a dark and twisted tale, but it is also a story that is full of heart and hope.
