Jerusalem: City of Longing is a captivating work by renowned classicist Simon Goldhill that takes readers on an extraordinary journey through the history, mythology, and enduring allure of the holy city of Jerusalem.

A Literary Pilgrimage Through Time and Space

Goldhill's book is not simply a historical account or a theological treatise. It is a literary pilgrimage that weaves together personal reflections, historical anecdotes, and literary and religious texts to create a rich and multifaceted portrait of the city.

Through vivid descriptions and thoughtful analysis, Goldhill transports readers to the heart of Jerusalem, its sacred sites, and its vibrant cultural crossroads. He explores the city's role as a pilgrimage destination for three monotheistic religions, the historical events that have shaped its destiny, and the myths and legends that have been woven around it.

Sacred Sites and the Weight of History

Goldhill delves deeply into the significance of Jerusalem's religious landmarks, such as the Western Wall, the Dome of the Rock, and the Church of the Holy Sepulchre. He traces the evolution of these sites over centuries, examining their architectural transformations, their symbolic meanings, and the stories that have unfolded within their walls.

The author does not shy away from the complexities and tensions surrounding these sacred spaces. He explores the conflicts and controversies that have often raged вокруг них, as well as the enduring power they hold for believers.

The Allure of Jerusalem: Desire, Violence, and Redemption

Beyond its religious significance, Jerusalem has captured the imagination of countless artists, writers, and musicians throughout history. Goldhill explores the allure of the city as a symbol of longing, desire, and redemption.

He traces the city's depiction in literature, from ancient texts to contemporary fiction, revealing how its image has been shaped by both hope and despair. Through the lens of art and culture, Goldhill sheds light on the enduring power of Jerusalem as a source of inspiration and a catalyst for both personal and collective transformations.

A Personal Journey of Discovery

Jerusalem: City of Longing is not only a scholarly work but also a deeply personal journey for Goldhill. A self-described atheist, he came to Jerusalem as a skeptic but was profoundly moved by the city's beauty, history, and the unwavering faith of its inhabitants.

Goldhill's personal reflections and experiences add a unique layer to the book, inviting readers to share in his own journey of discovery and to reflect on their own relationships with the city.

: A City That Endures

Jerusalem: City of Longing concludes with a poignant meditation on the enduring power of Jerusalem. Despite centuries of conflict and upheaval, the city continues to stand as a symbol of hope, resilience, and the enduring human spirit.

Goldhill's book is a timely and thought-provoking exploration of one of the world's most iconic cities. It is a work that will appeal to anyone interested in history, religion, culture, and the human search for meaning.
