Elena Morales is a young Cuban-American woman who has always felt like an outsider in both worlds. She was born in the United States, but her family moved back to Cuba when she was just a child. She never felt like she truly belonged in either country, and she always longed for a place where she could feel at home.

When Elena's grandmother dies, she is left a mysterious letter that leads her on a journey to Havana. There, she meets a cast of colorful characters who help her to discover her roots and to find her own place in the world.

Elena's journey is not without its challenges. She must confront her own demons, and she must learn to forgive herself and others for past mistakes. But through it all, she finds strength and hope in the vibrant spirit of Havana.
