Powerful

It may not be a measure
Of physical strength or size
Instead it is an inner strength
That shows within your eyes

So much determination
So much want and drive
A spirit of enjoyment
That shows we are alive

You might not always see it
But it's there down deep in side
It just might take some coaching
To bring forth that strength and pride

Each of us can be powerful
We have to know it true
To let free our power
To do what we must do
