## Book Review

Shawn Thornton's memoir, *Fighting My Way to the Top*, is a must-read for hockey fans. It's a raw and honest look at his journey to the NHL, from his humble beginnings in Oshawa, Ontario, to his time with the Boston Bruins, where he became one of the most feared fighters in the league.

Thornton doesn't shy away from the tough stuff in his book. He talks about his struggles with depression and anxiety, his battles with addiction, and the challenges he faced as a fighter in the NHL. But he also talks about the good times, the friendships he made, and the highs and lows of his career.

One of the things that makes Thornton's book so compelling is his honesty. He doesn't try to sugarcoat his experiences, and he doesn't pretend to be someone he's not. He's just a regular guy who worked hard to achieve his dreams, and he's willing to share his story with the world.

If you're a fan of hockey, or if you're just interested in a good story, I highly recommend reading Shawn Thornton's memoir. It's a powerful and inspiring book that will stay with you long after you finish it.

## About the Author

Shawn Thornton was born in Oshawa, Ontario, in 1977. He played in the NHL for 11 seasons, with the Boston Bruins, Anaheim Ducks, and Florida Panthers. He retired in 2014 and now works as a hockey analyst for NESN.

Thornton is also the author of the children's book, *The Little Hockey Player That Could*.
