Hutchinson argues that the crisis is not a disaster, but an opportunity to create a better future. He outlines a series of strategies that investors can use to profit from the crisis, including:

- Investing in undervalued assets
- Shorting overvalued assets
- Trading volatility
- Investing in emerging markets
- Investing in alternative investments

Hutchinson also provides advice on how to protect your wealth from the crisis. He recommends diversifying your investments, holding cash and gold, and avoiding risky debt.

The Trillion Dollar Wave is a must-read for anyone who wants to understand the global economic crisis and how to profit from it. Hutchinson's insights are invaluable, and his strategies can help you to navigate the crisis and create a better future.
