- **Financial Reporting Framework:** Understand the core principles and concepts of GAAP reporting for governments, including the

Governmental Accounting Standards Board (GASB) and Financial Accounting Standards Board (FASB) standards.

- **Budgetary Accounting:** Master the intricacies of budgetary accounting, including fund accounting, revenue recognition, and expenditure reporting.
- **Debt and Lease Accounting:** Gain in-depth knowledge of the complex accounting rules surrounding debt and lease liabilities, ensuring accurate financial reporting.
- **Investments and Governmental Activities:** Analyze the accounting treatment of government investments, special funds, and other governmental activities.
- **Proprietary and Fiduciary Activities:** Distinguish between proprietary and fiduciary activities and apply the appropriate accounting principles.

Updated and Revised for 2024

The 2024 edition of **Wiley GAAP for Governments** incorporates the latest updates and revisions to GAAP, ensuring you stay compliant with the most recent standards. It includes:

- Analysis of GASB and FASB pronouncements issued in 2023, including GASB Statement No. 99 on consolidation and GASB Statement No. 100 on major infrastructure.
- In-depth coverage of the new accounting principles for certain special purpose entities and not-for-profit entities.

- Updated examples and illustrations to enhance understanding and practical application.

Empowering Governments with Financial Excellence

Wiley GAAP for Governments 2024 is more than just an accounting guide; it is a roadmap to financial excellence for governments. It provides the knowledge and tools necessary to:

- Produce accurate and reliable financial statements that reflect the true financial position of the government.
- Enhance transparency and accountability, fostering trust between governments and their stakeholders.
- Meet regulatory compliance requirements, ensuring conformance with GAAP and avoiding costly mistakes.
- Make informed financial decisions, empowering governments to allocate resources effectively.

Why Wiley GAAP for Governments 2024?

Wiley GAAP for Governments 2024 stands apart from other publications with its:

- **Authoritative Content:** Written by renowned government accounting expert James C. Reeve, CPA, the book is a trusted source of GAAP knowledge and interpretation.
- **Clear and Concise Language:** The material is presented in a clear and concise style, making complex accounting concepts easy to understand.

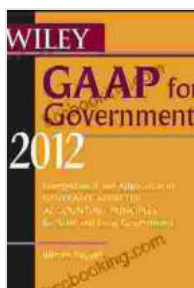

- **Practical Examples and Case Studies:** Real-world examples and case studies illustrate the application of GAAP principles in government settings.
- **Online Companion Website:** Access additional resources, including sample templates, practice questions, and updates, on the companion website.

Invest in Financial Expertise Today

Wiley GAAP for Governments 2024 is an essential investment for government accountants, auditors, financial managers, and anyone seeking to understand the intricacies of government GAAP. By purchasing this guide, you are not only equipping yourself with the latest knowledge but also empowering your government with the tools for financial clarity and compliance.
