In his new book, *Unstable Times, Unlikely Outcomes*, respected business leader and author David Sak discusses how to successfully navigate common business risks, lead through ambiguity and change with confidence, and grow your business even in uncertain times.

Sak draws on his decades of experience in the business world to provide practical advice and insights on how to:

- Identify and assess business risks
- Develop strategies to mitigate risks
- Lead your team through change

- Innovate and grow your business in uncertain times

Sak argues that businesses that are able to successfully navigate unstable times are those that are able to adapt quickly to change, innovate, and take risks. He provides a roadmap for how to do this, and he shares stories of businesses that have successfully navigated unstable times.

Unstable Times, Unlikely Outcomes is an essential read for business leaders who want to succeed in an increasingly uncertain world. Sak provides practical advice and insights that can help you navigate the challenges of leading a business in unstable times.

About the Author

David Sak is a respected business leader and author. He has over 30 years of experience in the business world, and he has held leadership positions in a variety of industries. Sak is the author of several books on business and leadership, and he is a frequent speaker at business conferences and events.
