Recognizing the growing need for in-depth knowledge in this field, Thomas Parenty, a seasoned professional with decades of experience in fund custody and administration, has penned a comprehensive guide that delves into the intricacies of these essential services.

## A Deep Dive into Fund Custody

Parenty's book begins by providing a thorough understanding of fund custody. He explains the fundamental principles, legal and regulatory

frameworks, and best practices involved in safeguarding fund assets. Readers will gain insights into:

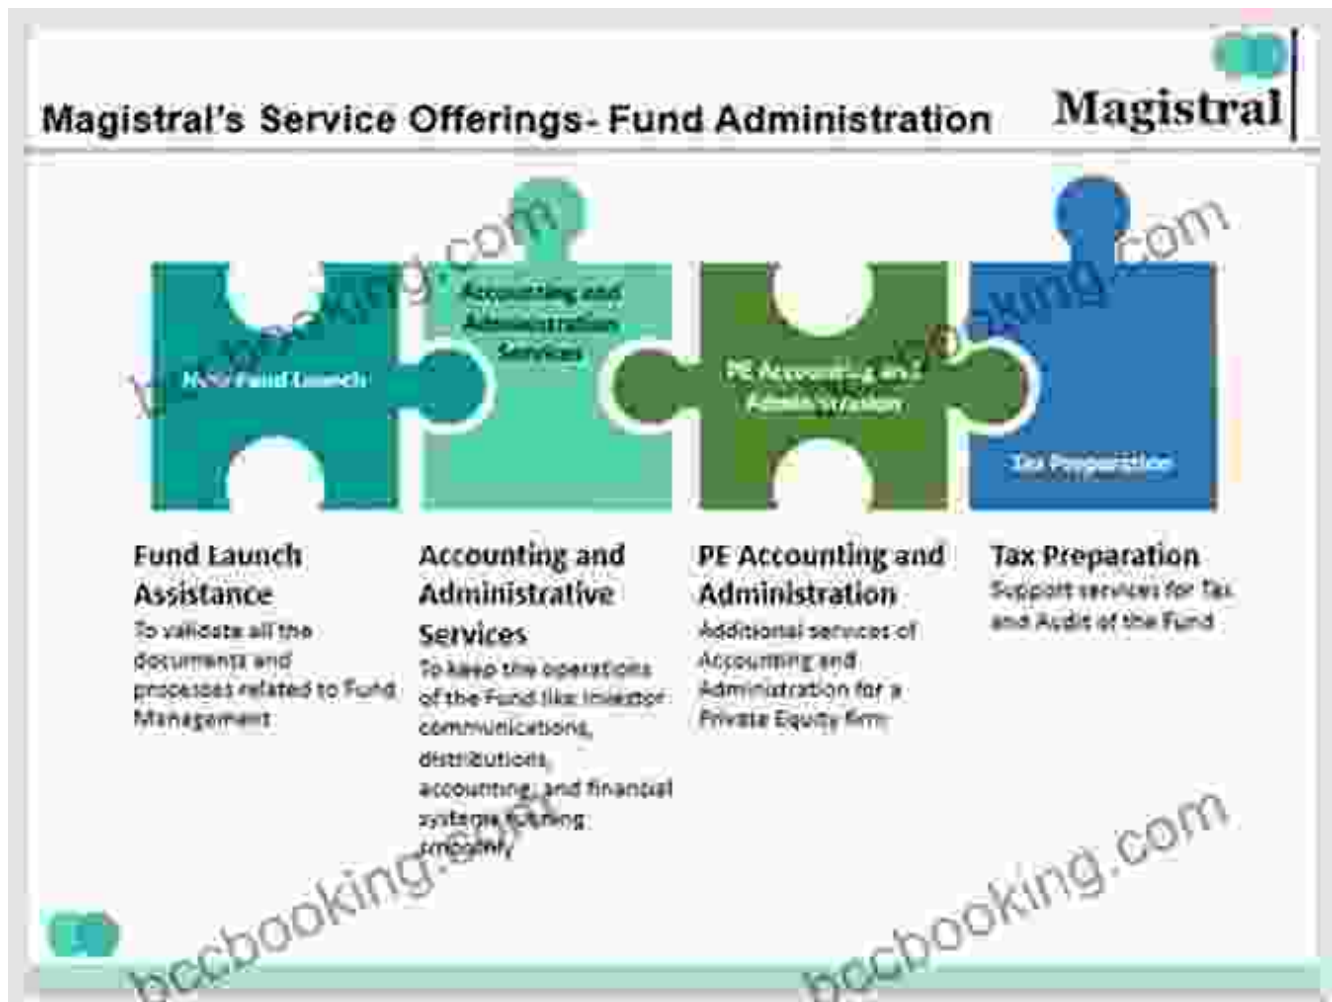

- The responsibilities and liabilities of custodians
- Safeguarding assets against theft, fraud, and cyber threats
- Compliance with regulatory requirements and industry standards
- Risk management strategies for mitigating potential losses

## Exploring Fund Administration

The book then delves into the realm of fund administration. Parenty meticulously covers the key aspects of this multifaceted service, including:

- Calculating and distributing fund returns to investors
- Managing shareholder records and communications
- Preparing financial statements and reports
- Compliance with tax laws and regulations

## Bridging the Gap between Theory and Practice

One of the key strengths of Parenty's book is its practical orientation. He draws on his extensive experience to provide real-world examples and case studies that illustrate the application of fund custody and

administration principles. This approach helps readers bridge the gap between theoretical knowledge and practical implementation.

Furthermore, the book includes valuable insights from industry experts and regulators, providing a comprehensive perspective on the latest trends and developments in the field.

## **Empowering Fund Professionals**

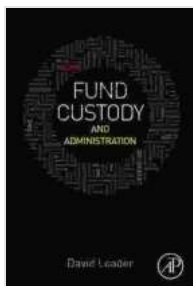

"Fund Custody and Administration" by Thomas Parenty is an indispensable resource for professionals working in the asset management, financial services, and investment banking sectors. It empowers fund managers, custodians, administrators, and investors with the knowledge and skills necessary to navigate the complex world of fund custody and administration.

By understanding the intricacies of these services, professionals can make informed decisions, mitigate risks, and enhance the overall efficiency and effectiveness of fund operations.

Thomas Parenty's "Fund Custody and Administration" is a must-read for anyone seeking to gain a comprehensive understanding of these critical services. Its practical approach, expert insights, and real-world examples provide invaluable guidance to professionals at all levels.

Whether you are a seasoned veteran or just starting out in the field of fund custody and administration, this book will serve as your trusted companion, empowering you to excel in this dynamic and demanding industry.
