In his memoir, *Waking Up in Eden*, Mark Plotkin takes readers on a journey to the heart of the Our Book Library rainforest. Plotkin, an ethnobotanist, spent years living among the indigenous people of the rainforest, and his book offers a unique perspective on this extraordinary place and its people.

Plotkin's writing is lyrical and deeply personal, and he brings the rainforest to life in all its beauty and complexity. He describes the towering trees, the lush vegetation, and the teeming wildlife. He also writes about the indigenous people who have lived in the rainforest for centuries, and he shares their stories and their wisdom.

Waking Up in Eden is a must-read for anyone who is interested in the Our Book Library rainforest, ethnobotany, or indigenous cultures. It is a book that will stay with you long after you finish reading it.
